

Alcoholics Anonymous - What is AA?

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; they are self-supporting through their own contributions. AA is not allied with any sect, denomination, politics, organization or institution. They do not wish to engage in any controversy and neither endorse nor oppose any causes. Their primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Gonzalez United Methodist Church has provided a meeting place for a local AA group for over 25 years.
